

# The Story of the Good Samaritan

## Lesson Overview

In today's lesson, we're learning about a story Jesus told to teach an important lesson on love. One day, a Jewish man was walking along the road when he was attacked by some bad guys. The Jewish man was really hurt and was left to die. A priest walked by and noticed the guy but he just crossed to the other side of the street and kept going! Then, another guy who worked in the temple walked by and also did nothing. Wait, aren't the religious people supposed to help others? This was the point Jesus was getting at in the story but there was one more piece Jesus added to grab people's attention. A Samaritan walked by and decided to help the man. Finally, someone has compassion on the guy! But, here's the kicker. Samaritans and Jews didn't like each other. They weren't even supposed to talk to each other. So, the fact that a Samaritan took the risk to help a Jew was a really big deal. Here was Jesus' point. Followers of Jesus should love like Jesus loves. Jesus doesn't play favorites or only help those he likes. He loves everyone and we should, too.

### Big Idea

*We should love everyone, not just those that are like us.*

### Key Question

*How can you show love to others?*

### Memory Verse

*Luke 10:27 "Love your neighbor as yourself."*

### Classroom Agenda

1. (5 min) **Let kids start working on Activity Page #1.**
2. (5 min) **WARM UP: Share about a friend or family member who enjoys a hobby or activity you know nothing about.** (Tip: Maybe your sibling rides horses or a friend plays chess. A great way to show love for them is to learn about their hobbies!)
3. (5 min) **PREVIEW: Write out the Big Idea, Memory Verse, and Key Question on a whiteboard.** Have the kids copy it down on Activity Page #1 (if applicable).
4. (20 min) **LARGE GROUP: Gather for songs and videos with other kids.** Then return to class to finish this guide.
5. (2 min) **RECAP: Read the Lesson Overview (see above).**
6. (3 min) **KQ: Answer the Key Question.** (Answer: **By being kind and taking the time to get to know them.**  
(How do you feel when someone takes an interest in what you care about? It feels great because it makes you feel valued and important. That's a great way to show love to others, especially for those you don't know well or who have different interests than you. Be kind and get to know others. Treat them how you want to be treated.)
  - **Bonus Questions:** How can we show love to others? How have people showed you love in your life? **4-5th** Identify a kid at school you don't know well. What can you do to show them love this week?
7. (5 min) **EXPLORE: Read Matthew 5:43-47. What is Jesus really saying in this passage? Why is it easier to love those that are like us?**(Answer: Jesus is challenging the people to love in a different way. Many people would agree that we should love those we like. That's easy! But Jesus was saying to love even our enemies! That's harder to do. As followers of Jesus, we need to love like he loves. We can choose to be kind even when others aren't.)
8. (10 min) **PLAY: Choose a group activity from Activity Page #2.**
9. (5 min) **CLOSE: Share prayer requests and pray as a class.** Encourage kids to use the Family Guide at home with their parents - and remind them to go online to pursueGODkids.org to find this week's lesson video.

**Teacher instructions:** Choose an activity for your classroom.

## OPTION 1: WHO HELPED THE SAMARITAN CRAFT

### Instructions:

- Give each kid a Samaritan template (page 5). Have them color their wheels. Then, have them glue the Big Idea and Memory verse on the blank wheel. Then, place the Big Idea/Verse wheel on top of the other wheel and have them poke a brad through the center. Then they can spin the wheel to learn about the story of the good Samaritan and learn who decided to show love to a Jewish guy.
- As they work, read the story from Luke 10:30-37. Remind the kids that the religious people should've known better than to leave the guy to suffer on the road. The Samaritan ended up showing love to the guy even though Samaritans and Jews didn't get along. We need to be more like the Samaritan and show love to everyone.

**Supplies needed:** Samaritan template (pg. 5, pre cut, 1 set per kid), Crayons, Glue, Brads (1 per kid)

## OPTION 2: BE LIKE THE SAMARITAN RELAY

### Instructions:

- Before playing, tape a line at each end of the room. Divide the class into groups of 4 and have them line up behind the line. Give each group a set of supplies (bandage wrap, robe).
- When you say "Go!", have the kids work together to get one kid in the robe and then wrap their head in the bandage wrap. Have that kid run to the other end of the room and back. Then, have the next kid go. First team to get all kids through the relay, wins.

**Supplies needed:** Tape, Bandage wrap (1 for each group), Robe (1 per group)
